

# CALL FOR PAPERS

**ICDISDC 2022**  
**Dec 27-28, 2022**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDISDC 2022 : International Conference on Differentiated Instruction Strategies and Differentiated Classrooms is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Differentiated Instruction Strategies and Differentiated Classrooms. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Differentiated instruction  
Brain-based learning  
Pre-assessment  
Ongoing assessment  
Learning environment  
Differentiated instruction strategies

Differentiated classrooms  
Multiple intelligences theory and differentiated instruction  
Recent initiatives in differentiated instruction  
Brain-compatible instruction in the differentiated classroom  
Efficacy of differentiated instruction
