

CALL FOR PAPERS

ICEEB 2023
Feb 15-16, 2023
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEEB 2023 : International Conference on Entrepreneurship and Entrepreneurial Behavior is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Entrepreneurship and Entrepreneurial Behavior. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Entrepreneurial behavior
Nascent entrepreneurship and new venture creation
Management development and learning in smaller businesses
Enterprise and entrepreneurship education, learning and careers
Entrepreneurial psychology and cognition
Management and transition in smaller, growing and family-owned enterprises
Corporate entrepreneurship and venturing

Entrepreneurial teams, management and organizations
Social, sustainable and informal entrepreneurship
National and international policy, historical and cultural studies in entrepreneurship
Gender, minority and ethnic entrepreneurship
Innovative research methods and theoretical development in entrepreneurship
Resourcing and managing innovation in entrepreneurial ventures
