

CALL FOR PAPERS

ICFD 2023
Apr 08-09, 2023
Athens, Greece

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFD 2023 : International Conference on Feline Dentistry is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Feline Dentistry. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Feline dentistry
Feline periodontium and chemistry
Dental hygiene therapies for felines
Anesthesia for feline dentistry and oral surgery
Oral tumors in cats
Dentistry for cats
Anaesthesia and analgesia
Antibiotics and antiseptics
Anatomy of the teeth and periodontium

Occlusion and malocclusion
Oral examination and recording
Dental radiography
Common oral conditions
Periodontal disease
Preventive dentistry
Odontoclastic resorptive lesions
Tooth extraction
Dental diseases in lagomorphs and rodents
