

# CALL FOR PAPERS

**ICHFMA 2023**  
**Jun 15-16, 2023**  
**Toronto, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHFMA 2023 : International Conference on Healthcare Financial Management and Accounting is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Healthcare Financial Management and Accounting. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Healthcare financial management  
Financial management  
Financial reporting and accounting  
Financial management of health care organizations  
Principles and practices of health care accounting  
Strategic financial planning

Revenue cycle management  
Budget preparation  
Budget variance analysis  
Cost accounting and analysis  
Information systems for healthcare financial management
