

CALL FOR PAPERS

ICGG 2023
Jul 19-20, 2023
Helsinki, Finland

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICGG 2023 : International Conference on Glycosides and Glycoscience is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Glycosides and Glycoscience. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Life sciences
Glycoscience
Glyco-biology
Glyco-chemistry
Glycosides
Glycopeptides
Carbohydrates
Oligosaccharides

Saccharide synthesis
Saccharide mimetica
Glycosidation
Carbohydrate dendrimers
Renewable primary products
Sugars
Libraries
Natural products
