

CALL FOR PAPERS

ICWBEWR 2023
Jul 08-09, 2023
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWBEWR 2023 : International Conference on Whole-Body Exercise and Water Requirements is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Whole-Body Exercise and Water Requirements. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Whole-body exercise

High-intensity whole-body
exercise

Acute physiological effects of
whole-body exercise

Benefits of whole body exercise

Effects of whole-body exercise
