

CALL FOR PAPERS

ICDMDS 2023
Jul 15-16, 2023
Stockholm, Sweden

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDMDS 2023 : International Conference on Dental Medicine and Dental Surgery is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Dental Medicine and Dental Surgery. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Dental medicine
Oral microbiology and pathology
Oral cancer
Orthodontics
Oral and maxillofacial surgery
Restorative dentistry
Periodontics
Cosmetic dentistry

Endodontics
Prosthodontics
Management of traumatic injuries to children
Advanced research in pediatric dentistry
Diagnosis/imaging and use of lasers in children
Dental hygiene
Preventive and operative dentistry
