

CALL FOR PAPERS

ICEBIM 2023
Aug 09-10, 2023
New York, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEBIM 2023 : International Conference on Economics and Business Innovation Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Economics and Business Innovation Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Accounting	Comparative Economic Systems
Administrative system	Consumer Behavior
Adult Education	Corporate Finance and Governance
Advertising Management	Corporate Governance
Business and Economics	Cost Management
Business Ethics	Curriculum Reform
Business Information Systems	Decision Sciences
Business Intelligence	Development Planning and Policy
Business Law	Economic Development
Business Performance Management	Economic Methodology
Business Statistics	Economic Policy
Change Management	Economic Systems
