

CALL FOR PAPERS

ICMSS 2024
Feb 18-19, 2024
Jeddah, Saudi Arabia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMSS 2024 : International Conference on Mathematical and Statistical Sciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Mathematical and Statistical Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Algebra and Number Theory
Analysis
Analytical Methods for Social
Research
Applied Mathematics
Applied Statistics
Biomathematics
Biostatistics
Business Statistics
Computational Mathematics
Computer Mathematics
Computational Statistics
Computer Simulations
Cross-disciplinary areas of
Mathematics

Discrete Mathematics
Econometrics
Educational Statistics
Engineering Mathematics
Environmental Statistics
Financial Mathematics
Financial Options
Finite Mathematics
Fractals
Geometry
Industrial Statistics
Logic for Mathematics and Computer
Science
Mathematical Biology
