

CALL FOR PAPERS

ICMI 2016
Jan 18-19, 2016
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMI 2016 : International Conference on Multimodal Interaction is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Multimodal Interaction. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Multimodal interaction processing
Interactive systems and
applications

Modeling human communication
patterns
Data, evaluation and standards for
multimodal interactive systems
