

# CALL FOR PAPERS

**ICELDL 2017**  
**Jan 26-27, 2017**  
**Sydney, Australia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICELDL 2017 : International Conference on E-Learning and Distance Learning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of E-Learning and Distance Learning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Online training methodologies  
(simulations, case-based learning,  
and more)
