

CALL FOR PAPERS

ICPTSDE 2019
Nov 04-05, 2019
Cape Town, South Africa

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPTSDE 2019 : International Conference on Post-Traumatic Stress Disorder and Epidemiology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Post-Traumatic Stress Disorder and Epidemiology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Post-traumatic stress disorder
Anxiety and trauma
Trauma and trauma reactions
Potentially traumatic events
Common responses to potentially traumatic events
Traumatic stress syndromes
