

# CALL FOR PAPERS

**ICI 2019**  
**Dec 12-13, 2019**  
**Rome, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICI 2019 : International Conference on Influenza is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Influenza. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Virus structure and replication  
Clinical Impact and diagnostic approaches  
Virus host interaction and pathogenesis  
Epidemics and pandemic threats  
Immunology  
Mathematical modeling  
Antivirals and resistance  
Animal flu-ecology and epidemiology of animal influenza

Vaccines:current and novel approaches  
Genetics and evolution of virus and host  
Evaluation of vaccine safety and effectiveness  
Risk management and mitigation  
Maternal immunization  
Scientific approaches towards intervention strategies  
Late Breaker
