

# CALL FOR PAPERS

**ICAUAT 2020**  
**Jan 30-31, 2020**  
**Dubai, UAE**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAUAT 2020 : International Conference on Accelerating Universe and Alternative Theories is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Accelerating Universe and Alternative Theories. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Accelerating universe  
General relativity and the universe  
Cosmological dynamics  
Evidence for acceleration  
Supernova observation  
Baryon acoustic oscillations  
Clusters of galaxies

Age of the universe  
Explanatory models  
Dark energy  
Dark energy models  
Phantom energy  
Alternative theories  
Theories for the consequences to the universe
