

CALL FOR PAPERS

ICLSH 2020
Jan 20-21, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLSH 2020 : International Conference on Life Sciences and Healthcare is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Life Sciences and Healthcare. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

eHealth, mHealth and uHealth
BioProcess Filtration
Bioprocessing
Bioprocessing Applications
Bioengineering
Biotechnology
Cell Imaging and Microscopy
Cell Therapy Processing
Cell Therapy Research
Chromatography
Diagnostic Development
DNA and RNA Research
Drug Discovery and Development

Electrophoresis
Environmental Bioprocessing
Forensics and Human Identification
Gene Editing
Healthcare and Life Sciences
Healthcare Services
Managed Care
Medical Devices and Diagnostics
Nucleic Acid Blotting
Pharmaceuticals and
Biotechnotechnology
Population Health Management
Process Analytics
Protein Research: Blotting and
Purification
