

# CALL FOR PAPERS

**ICQUA 2020**  
**Jan 23-24, 2020**  
**Paris, France**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICQUA 2020 : International Conference on Quantitative Urbanism and Applications is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Quantitative Urbanism and Applications. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Quantitative urbanism  
Quantitative analysis of urban forms  
Sustainable development and renovation in urbanism  
Urban morphogenesis and optimization  
New urbanism  
Urban scaling laws

Heteroskedasticity  
Landscape ecology  
Economic structure  
Transportation planning  
Community design  
Urban design
