

CALL FOR PAPERS

ICRS 2020
Jan 23-24, 2020
Paris, France

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRS 2020 : International Conference on Rice Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Rice Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Rice science and research
Basmati rice
Rice and aquaculture
Rice diseases
Rice and nutrition
Rice yield
Breeding and genetics
Biotechnology

Germplasm resources
Crop management
Pest management
Physiology
Soil and fertilizer management
Cereal chemistry
Post-harvest processing
