

CALL FOR PAPERS

ICMMD 2020
Jan 30-31, 2020
Sydney, Australia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMMD 2020 : International Conference on Myth, Metaphysics and Dialectic is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Myth, Metaphysics and Dialectic. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Metaphysics	Being and ontology
Metaphysics and epistemology	Identity and change
Central questions	Causality and time
Being as such, first causes, unchanging things	Necessity and possibility
Categories of being and universals	Cosmology and cosmogony
Substance	Mind and matter
The problems of metaphysics	Determinism and free will
Modality	Religion and spirituality
Space and time	Metaphysics in science
Persistence and constitution	Rejections of metaphysics
Causation, freedom and determinism	History of metaphysics
The mental and physical	Pre-Socratic metaphysics in Greece
The methodology of metaphysics	Socrates and Plato
