

CALL FOR PAPERS

ICFCSN 2020
Feb 06-07, 2020
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFCSN 2020 : International Conference on Food Choice and Sustainable Nutrition is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food Choice and Sustainable Nutrition. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Food choice and eating behavior
Nutrition recommendations and food preferences
Behavioral nutrition

Bioactive compounds against human diseases
Sustainable nutrition and food management
Ethical aspects of food choice
