

CALL FOR PAPERS

ICCR 2020
Feb 03-04, 2020
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCR 2020 : International Conference on Cotton Research is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cotton Research. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cotton production and quality
research
Cotton agricultural and
environmental research
Cotton fiber quality
Cotton fiber maturity

Cotton harvesting and ginning
Cotton plastic contamination
Cotton fiber maturity modelling
