

CALL FOR PAPERS

ICPPDP 2020
Feb 03-04, 2020
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPPDP 2020 : International Conference on Periodontology, Preventive Dentistry and Periodontics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Periodontology, Preventive Dentistry and Periodontics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Preventive dentistry (Pedodontics)
Oral health
Oral treatments
Life style modification
Diet and nutrition for oral health
Cavities and tooth decay
Effect of tooth brush on oral health

Oral health and dental hygiene in adolescents
Pediatic oral health care
Preventive dental materials
Dental materials, properties and manipulation
Preventive materials, methods and programs
Comprehensive preventive dentistry
