

# CALL FOR PAPERS

**ICINEP 2020**  
**Feb 17-18, 2020**  
**Male, Maldives**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICINEP 2020 : International Conference on Innovations in Nursing Education and Practice is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Innovations in Nursing Education and Practice. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Increased efficacy in teachers  
High-fidelity simulation  
Simulation and personal digital assistants  
Development of culture supporting risk-taking

Development of creativity, and excellence  
Recent technologies in nursing education  
Computer and simulation use in nursing education  
Related conference of innovation
