

# CALL FOR PAPERS

**ICEELDC 2020**  
**Mar 23-24, 2020**  
**Tokyo, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEELDC 2020 : International Conference on Energy-Efficient Landscaping and Design Considerations is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Energy-Efficient Landscaping and Design Considerations. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Energy-efficient landscape design  
Landscape planning for  
energy-efficient homes  
Selecting and planting trees and  
shrubs  
Wall sheltering  
Earth sheltering and positioning  
buildings  
Green roofs and cool buildings

Reduced heat island effect  
Site lighting  
Climate and design considerations  
Climatic sensitive landscape  
design  
Site and design considerations  
Energy conservation
