

# CALL FOR PAPERS

**ICFRDFMFDS 2020**  
**Apr 24-25, 2020**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFRDFMFDS 2020 : International Conference on Food-Related Diseases, Food Manufacturing, Food Distribution and Storage is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food-Related Diseases, Food Manufacturing, Food Distribution and Storage. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Food-related diseases  
Causes of food-related diseases  
Changing patterns of food consumption  
Changes in food manufacturing, food distribution and storage  
Environmental contamination and poor social conditions  
Biological or chemical agents

Food quality and standards  
Recent trends in food-borne disease  
The symptoms of food-borne illnesses  
Food safety risks  
Prevention of food-borne disease  
Strategies for reducing food-borne disease
