

CALL FOR PAPERS

ICHIFA 2020
Apr 24-25, 2020
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHIFA 2020 : International Conference on Hypoxia-Inducible Factors and Angiogenesis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Hypoxia-Inducible Factors and Angiogenesis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Hypoxia
Oxygen biology
Hypoxia-inducible factor
Oxygenase
Hydroxylase
Angiogenesis
Metabolism
Cancer

Erythropoiesis
Apoptosis
Iron metabolism
Mitochondria
Genomics
Proteomics
Bioinformatics
Metagenome
