

CALL FOR PAPERS

ICAPCT 2021
Sep 20-21, 2021
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAPCT 2021 : International Conference on Analytical Psychology and Clinical Theories is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Analytical Psychology and Clinical Theories. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Analytical Psychology	Archetypes
Jungian Psychology	Self-realization and neuroticism
Carl Jung and Jungian Analytical Psychology	Shadow
Jungian analysis and therapy	Anima and animus
Contemporary perspectives in Jungian analysis	Wise old man / woman
Jungian Psychotherapy	Psychoanalysis
Jungian archetypes	Psychological types
Elements of the collective unconscious	Complexes
Fundamentals	Clinical theories
The nature of the self	Post-Jungian approaches
Jungian theory of personality	Classical approaches
